V. Total Credit Hours for Graduation (120 credits)

NOTES:

Satisfactory Progress: (notes 1 &2)

1. Students must maintain a 2.0 minimum GPA (in all courses taken at Virginia Tech) to continue in the program.
2. Students must maintain a 2.5 minimum in ITDS courses (This includes all courses with an ITDS pre-fix, and ARCH 1015-1016). If a student's GPA drops below a 2.5 in ITDS courses, courses with below a 2.5 must be repeated to elevate the GPA to 2.5 before continuing in the degree.
3. Foreign Language requirement: students who did not complete 2 units of a foreign language in high school must earn 6 credits of a college foreign language, such credits to be in addition to those normally required for graduation. (High school foreign language courses must be in the same language to satisfy the language requirement.)
4. This course incorporates the university ViEWS [Visual Expression, Written and Spoken] communication. Consult the Virginia Tech CLE guide for the University Policy on ViEWS. (<http://www.cle.ct.edu/guides/>). A copy of the School of Architecture + Design proposal is available in the School's administrative offices. The ViEWS communication requirement is met through an array of Theory and History courses, Technology courses, Practicum courses and Studio courses.
5. This check sheet does not include any hidden prerequisites.
6. Students must have a 2.5 in-major and 2.0 overall GPA in order to graduate. In-major GPA includes all courses with an ITDS prefix and ARCH 1015-1016.

ⁱ See CLE on the VT website for a list of all area courses where no specific class has been listed. (<http://www.cle.ct.edu/guides/>)

ⁱⁱ Art History Courses can be any of the following: ART 2385, ART 2386, and ART 3XXX (3000 level art history) or ART 4XXXX (4000 level art history)
